Accessibility and Entry Policy

Accessible entrance, internal lift, bag rules, and front desk reference code.

ACCESSIBLE ENTRANCE	**East Courtyard entrance**
DESK REFERENCE CODE	**CEDAR-63**

Accessible arrival and circulation

- The step-free accessible visitor entrance is the **East Courtyard entrance**, reached from the marked pedestrian path off Willow Lane. The main west staircase is not step-free.
- A **passenger lift is available** between the ground-floor atrium and first-floor permanent galleries. Staff can advise about temporary gallery closures or lift maintenance.
- Wheelchairs and mobility aids are welcome. A limited number of manual wheelchairs can be requested at the front desk on a first-come basis.

Bags and items at entry

- Small handbags and daypacks under **35 x 25 x 15 cm** may enter galleries, subject to visual inspection.
- Large backpacks, rolling luggage, umbrellas with sharp tips, and bulky parcels must be left at the staffed cloakroom when available. No dangerous items, food, or open drinks are permitted in galleries.
- Medical bags, mobility equipment, and necessary infant-care supplies are exempt from standard size restrictions, although staff may request a routine safety inspection.

Entry support and staff reference

- Visitors who need a step-free route or additional assistance may ask front desk staff on arrival or note the request during ticket booking.
- The fictional front desk reference code is **CEDAR-63**. It is for service desk identification and **must not be used as a door or security code**.
- Opening times and admission prices are provided in **Visitor Hours and Tickets**; group access arrangements are covered by **Group Tour Booking Guide**.
