Group Tour Booking Guide

Advance booking requirements and limits for fictional school group tours.

MAXIMUM TOUR GROUP	**30 participants**
FREE CANCELLATION	**72 hours before start**

Booking a school tour

- A school coordinator submits a request through **Cedar Grove Visitor Ticket Portal > Schools & Groups > Request Tour**, at least **10 business days** in advance.
- Provide the school name, coordinator contact, preferred date, student age range, estimated pupil count, accessibility needs, and the number of accompanying adults.
- The museum confirms availability by email and issues a tour reference. An inquiry alone does not reserve a slot; the booking is final only when the status is **Confirmed**.

Group size and pricing

- The maximum guided group size is **30 participants total**, including students and accompanying adults. A larger school party must request separate guide slots; adjacent slots are not guaranteed.
- The fictional school group rate is **$6 per student**. One teacher or official school chaperone is admitted free for every **10 paying students**; additional adults pay the standard adult admission price.
- At least **1 responsible adult per 10 students** must accompany the group, and teachers remain responsible for student supervision throughout.

Cancellations and arrival

- Cancel or reduce your group **at least 72 hours before** the scheduled start to avoid a cancellation fee. Later cancellations incur a fictional **$45 administration fee**.
- Arrive **15 minutes before** the start, with the confirmed booking reference. A delay over 20 minutes may shorten or forfeit the guided portion.
- General public desk hours and tickets appear in **Visitor Hours and Tickets**.
