Membership and Hours

Front desk hours, member access, and guest policies for the fictional makerspace.

WEEKDAY FRONT DESK	**12:00-21:00**
DESK REFERENCE CODE	**HARBOR-42**

Front desk hours

- **Monday-Friday:** the front desk opens at **12:00** and closes at **21:00**.
- **Saturday-Sunday:** staffed front desk hours are **09:00-18:00**. Front desk hours are not a guarantee of machine availability.
- Members with approved extended-access credentials may enter certain common areas beyond desk hours; shared machine use still requires applicable supervision and booking rules.

Membership and guests

- An active adult membership is required to reserve equipment. Members must check in using their own membership card and must not lend it to others.
- Each active member may bring up to **2 guests per visit**. Every guest signs a visitor waiver at the front desk, presents photo ID, and remains with the hosting member.
- **Guests may observe demonstrations** but cannot operate the laser cutter, 3D printer, or other restricted equipment. Guests under age 16 must also be accompanied by a parent or legal guardian.

Reference code and safety

- The fictional service desk reference code is **HARBOR-42**. It is a staff reference identifier, **not an entry or equipment unlock code**.
- All members must follow **Workshop Safety Rules**. Membership alone does not satisfy mandatory general orientation or equipment-specific induction.

Document status: Fictional example prepared solely for testing retrieval, policy comparison, and document-based question answering.
