Academic Merit Scholarship Rules

Official eligibility and renewal rules for Northbridge University's fictional Academic Merit Scholarship.

AWARD	**Up to 40% of tuition**
APPLICATION CYCLE	**2027-2028 academic year**

Who is eligible?

- **Enrollment:** Applicants must be admitted to, or currently enrolled in, a full-time undergraduate degree at Northbridge University. Full-time means at least **12 credits per term**.
- **Academic performance:** Continuing students need a cumulative **GPA of at least 3.50/4.00** at application review. First-year applicants need an admission-equivalent GPA of **3.70/4.00**.
- **Academic standing:** Applicants must be making satisfactory academic progress and must not have an active university disciplinary sanction.
- **Residency:** Domestic and international students are eligible; no citizenship requirement applies.
- **Financial need:** Household income is **not** an eligibility criterion. The award is merit-based and cannot exceed the student's outstanding tuition charges.
- **Concurrent awards:** The scholarship may be combined with external grants, but total tuition funding cannot exceed 100% of billed tuition.

Award and renewal

- The committee may award **20%, 30%, or 40%** of annual tuition, based on academic ranking. Meeting minimum eligibility does not guarantee selection.
- To renew for the next academic year, recipients must maintain **GPA 3.30/4.00 or above**, remain enrolled in at least **12 credits per term**, and stay in good standing.
- A recipient who falls below a renewal threshold may request one written review within **10 business days** of notification; continuation is not automatic.

How decisions are made

- Applications are reviewed after the application deadline of **15 March 2027 at 17:00 campus local time**. See **Student Funding Application Guide** for submission steps and evidence requirements.
