Student Funding Application Guide

Step-by-step student portal instructions for fictional university funding applications.

DEADLINE	**15 March 2027, 17:00**
SUBMISSION CHANNEL	**Northbridge Student Portal**

Apply through the student portal

- Sign in to the **Northbridge Student Portal** using your university ID and multifactor authentication.
- Open **Funding & Awards > Scholarship Applications > Academic Merit Scholarship**. Select the **2027-2028** cycle.
- Confirm your degree program and enrollment status, complete the academic history section, attach the documents listed below, and select **Submit Application**.
- The portal issues a confirmation number and status **Submitted**. A saved draft or uploaded file by itself is not a submitted application.

Required documents

- **Academic transcript:** most recent official or registrar-verified transcript; incoming students may use their final school transcript.
- **Enrollment or admission letter:** proof of full-time degree admission/enrollment for the applicable academic year.
- **Personal merit statement:** one-page PDF describing academic achievement (maximum 500 words).
- **Identity proof:** student ID card or the photo-identification document accepted by the admissions office.

Deadline and corrections

- Submit by **Monday, 15 March 2027, 17:00 campus local time**. Late submissions, including drafts not finalized before the cutoff, are not considered.
- Files must be **PDF**, each under **10 MB**. Replace unreadable attachments before the deadline. After submission, use **Funding & Awards > My Applications** to track status.
- Eligibility is determined by **Academic Merit Scholarship Rules**; this guide explains how to apply and does not replace the policy.

Document status: Fictional example prepared solely for testing retrieval, policy comparison, and document-based question answering.
